## OLD BUSINESS:

**Approval of Minutes:** Councilmember Trinkle moved to approve the regular meeting minutes of August 20, 2020, as presented. Councilmember McNeill seconded the motion. The motion was unanimously approved.

**Audience Participation:** Mayor Smith called for audience participation and John Dalby, USD 469 School Board President, gave the Council an update on what direction the schools are going in as we start the 2020-2021 school year. First, he acknowledged how great the teachers we have are and they are his heroes. The ROARS plan offered 2 types of learning – in person at school or remote learning at home. The in-person learning is based off a 4-1 week where four days are spent in school and the other day is at home remote learning. The school board didn't go with a 50/50 hybrid model because they didn't feel it gave the kids enough time for in person learning. That 50-50 plan could possibly expand a child's radius of exposure to the virus due to them having to go to daycare, a sitter, or another relatives house on days they aren't in school. In gating criteria discussions with the County Health Department, there will be a lead time of 1-2 weeks if we have to transition from in person learning to all remote learning. If the community is wondering what they can do, there is a shortage in substitute teachers. Most often, substitute teachers are retired teachers and they are now considered high risk, so they have removed themselves as an option. If anyone in the community has time to spare so teachers can go to the doctor, take their own kids to appointments, etc. then please consider being a substitute teacher. This shortage is nationwide, not just in our district. It's also important to enforce at home what is being required at schools like handwashing, mask wearing and social distancing. It's important to keep your kid at home if they are sick. And again, thank a teacher if you get the chance. They are leading our kids into the future.

- Councilmember Kirby asked about social distancing on buses.
  - John Dalby replied it's nearly impossible. We don't have enough buses or time to do routes multiple times. They are trying to put one kid per seat. Kids will be required to wear a mask and have their temperature taken before they get on the bus. Parents have the option to drop their kids off and pick them up if that is a concern.
    - Councilmember Kirby asked what the procedure would be if a kid does have a fever and can't get on the bus.
      - John Dalby responded he doesn't have specific details on that yet. They are still working on how that would be handled. They will not leave a kid at the bus stop though.
        - Councilmember Kirby asked if he knew how many classrooms would not be able to social distance.
          - John Dalby replied out of the rooms he visited at the elementary and middle school the day before, there was one classroom where desks were not 3 ft apart. These desks were larger desks so they took up more square footage but sitting at the desks the kids would be 3 ft apart.

- Councilmember Kirby asked that masks are going to be required at the football games and who is going to enforce it.
  - John Dalby responded that is a KSHSAA policy and we support it. We aren't going to call the police or anything like that if someone is not wearing one but we do need people to comply and do the right thing so these kids can continue to play sports.
    - Councilmember Kirby asked Mr. Dalby to be transparent when we have a student/class quarantined or large number of positive cases and let the community know.
  - John Dalby agreed that information does need to be shared within the rules and laws that exist. The County may already be ahead on that since they have to verify all cases.
- Councilmember Trinkle asked if the bus drivers will be protected.
  - John Dalby replied he believed they would be outfitted with PPE but would follow up on that. They are getting sanitation supplies as well.

Councilmember Trinkle stated it would be good for the City to join forces with the School District to head off rumors. Everyone wants their kids safe so maybe dispelling rumors will help.

Councilmember Brungardt stated across the state many districts are concerned about their State Assessment scores. The State tests given now are more rigorous compared to previous years. Our curriculum had to be rewritten so it was in line with State Assessments. We are still a good school district and our kids show that. Whether our kids continue education through college or enter the workforce, they are successful. The middle school is either at or above the State average with the exception of 7<sup>th</sup> grade Math.

Councilmember Studnicka stated the schools are doing everything they can to keep the students safe, but we need parents to reinforce requirements like mask wearing and social distancing. He also stated he thought the Superintendent of the schools should be the face man and putting out information. He stated this is great information for the Councilmembers as the main focus going forward should be community safety.

Councilmember Majure thanked John Dalby for coming and thanked all the board members for volunteering. He pointed out teachers are going an extra mile by not only making lesson plans, doing the work but they are also cleaning a lot more. He thanked the teachers for all they are doing.

**City Administrator:** City Administrator Tim Vandall let the Council know Public Works Director Mike Spickelmier will brief the Council at the September 24<sup>th</sup> Work Session on a program to do a cost share for sidewalk repairs. Library Director Terri Wojtalewicz will also give a library update.

**Governing Body:** Councilmember Buehler thanked John Dalby for coming and keeping the Council updated. He also provided a fun fact, on this day in 1783, the American Revolutionary War ended with the signing of the Treaty of Paris by the United States and Great Britain.

Councilmember McNeill, Studnicka, Trinkle, Majure, and Garvey all echoed Councilmember Buehler's sentiments to John Dalby for coming to the meeting.

Councilmember McNeill thanked Councilmember Majure for asking John to come in and speak. He also welcomed Kerry back.

Councilmember Brungardt stated hats off to all educators in the district. He said it's good to be back and looks forward to being back to work soon.

Councilmember Studnicka stated he would like to hear from the Superintendent on any updates and our concern is community safety.

Councilmember Trinkle reminded everyone about fireworks tomorrow night. He asked that everyone be careful.

Councilmember Kirby let Kerry know it is good to see him. He said the staff, teachers, bus drivers and janitors are putting it on the line right now. He asked everyone to mask up.

Councilmember Majure said it was great to have Kerry back and can't wait to have him back at the school. He thanked the teachers, administrators and all who help facilitate the schools for all they do. He is excited for the fireworks. The Lansing American Legion Post 411 will be doing a flag line at 6:30 at City Hall so honk as you drive by.

Councilmember Garvey commended the school board, the district, and teachers for getting the kids back in school with some sort of normalcy. There are a lot of single income families and they have to go to work and need their kids in school. School is the best place for them. He is looking forward to the fireworks, stating it'll be a great time.

**ADJOURNMENT:**

Councilmember Garvey moved to adjourn. Councilmember McNeill seconded the motion. The motion was unanimously approved. The meeting was adjourned at 7:43 p.m.

July 6, 2020

As my application indicates, I am interested in the volunteer position as a member of the city's Tree Board (filling the open position that expires 31 December 2021). This position would allow me the opportunity to serve the citizens of Lansing by promoting and enhancing the city's status as a Tree City USA.

This is important, because an attractive and inviting landscape is a tremendous asset for any city that promotes itself as a great place to live, work and raise a family. Obviously, trees in all varieties are a dominant feature in this landscape and our overall geographical area. We are very fortunate to have many hardwood and conifer tree varieties that add to the natural beauty and aesthetics of Northeast Kansas. Our parks and public properties should reflect these attributes. The city and our residents have much to work with—and Lansing should set the example for private property owners in maintaining their own trees, shrubs and lawns.

If my application is accepted, my goal would be to serve as an active member of the board and contribute to the board's mission. I am available to attend meetings, events and travel on the dates and times announced.

My personal references are listed below:

Ms. Mary Ann Brown	33001 207 <sup>th</sup> Street, Easton, KS 66020	(785) 979-6352

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as **EXHIBIT A** hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the Purchaser upon instructions of the Issuer or its representative.

**Section 208. Mutilated, Lost, Stolen or Destroyed Bonds.** If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

**Section 209. Cancellation and Destruction of Bonds Upon Payment.** All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

**Section 210. Book-Entry Bonds; Securities Depository.** The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

**Section 211. Nonpresentment of Bonds.** If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such

Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

**Section 212. Preliminary and Final Official Statement.** The Preliminary Official Statement dated September 3, 2020, is hereby ratified and approved.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor and Clerk of the Issuer are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

**Section 213. Sale of the Bonds.** The sale of the Bonds to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Bonds shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Bond Resolution), upon payment of the Purchase Price.

## ARTICLE III

### REDEMPTION OF BONDS

#### **Section 301. Redemption by Issuer.**

**Optional Redemption.** At the option of the Issuer, the Bonds maturing September 1, 2026 and thereafter will be subject to redemption and payment prior to their Stated Maturity on September 1, 2025, and thereafter as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

#### **[ Mandatory Redemption.**

(a) **20\_\_ Term Bonds.** The 20\_\_ Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. The taxes levied in *Article IV* hereof which are to be deposited into the Debt Service Account shall be sufficient to redeem, and the Issuer shall redeem on September 1 in each year, the following principal amounts of such 20\_\_ Term Bonds:

**Principal  
Amount**

**Year**

\$ \_\_\_\_\_

\*Final Maturity

(b) 20\_\_ *Term Bonds*. The 20\_\_ Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. The taxes levied in *Article IV* hereof which are to be deposited into the Debt Service Account shall be sufficient to redeem, and the Issuer shall redeem on September 1 in each year, the following principal amounts of such 20\_\_ Term Bonds:

**Principal

**Year**

20\_\_\_\_\*

\*Final Maturity

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.]

**Section 302. Selection of Bonds to be Redeemed.** Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for

redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

**Section 303. Notice and Effect of Call for Redemption.** In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. [The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.]

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar and the State Treasurer. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

## ARTICLE IV

### SECURITY FOR BONDS

**Section 401. Security for the Bonds.** The Bonds shall be general obligations of the Issuer payable as to both principal and interest in part from special assessments levied upon the property benefited by the construction of the improvements financed by the Refunded Bonds and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The taxes and/or assessments referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes and/or assessments are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the

## ARTICLE VI

### DEFAULT AND REMEDIES

**Section 601. Remedies.** The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

**Section 602. Limitation on Rights of Owners.** The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all

proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

**Section 603. Remedies Cumulative.** No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

## ARTICLE VII

### DEFEASANCE

**Section 701. Defeasance.** When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with **Article III** hereof. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution.

## ARTICLE VIII

### TAX COVENANTS

**Section 801. General Covenants.** The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and the Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

**Section 802. Survival of Covenants.** The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

## ARTICLE IX

### CONTINUING DISCLOSURE REQUIREMENTS

**Section 901. Disclosure Requirements.** The Mayor and Clerk are hereby authorized and directed to execute the Disclosure Undertaking in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

**Section 902. Failure to Comply with Continuing Disclosure Requirements.** In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. ### MISCELLANEOUS PROVISIONS

**Section 1001. Annual Audit.** Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an

Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

**Section 1002. Amendments.** The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by ordinance or resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by ordinance or resolution duly adopted by the Governing Body at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the Governing Body amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental ordinance or resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the ordinance or resolution of the Issuer hereinabove

provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

**Section 1003. Notices, Consents and Other Instruments by Owners.** Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

**Section 1004. Notices.** Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

**Section 1005. Electronic Transactions.** The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means. All closing documents, certificates, and related instruments may be executed by electronic transmission. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents (or

**Section 1007. Severability.** If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Owner of a Note entitled to such notice at the address of such Owner as it appears on the Note Register not less than 10 days prior to such Special Record Date.

The Issuer and the Note Registrar shall not be required (a) to register the transfer or exchange of any Note that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to **Article III** hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Note during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this **Article II**.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Note is registered on the Note Register as the absolute Owner of such Note, whether such Note is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Note and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Note Registrar, the Note Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or more in principal amount of the Notes then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Note Registrar.

The Notes shall be countersigned by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed or imprinted adjacent thereto following registration of the Notes by the Treasurer of the State of Kansas. In case any officer whose signature appears on any Notes ceases to be such officer before the delivery of such Notes, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Note may be signed by such persons who at the actual time of the execution of such Note are the proper officers to sign such Note although at the date of such Note such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes as herein specified, and when duly executed, to deliver the Notes to the Note Registrar for authentication.

The Notes shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as **EXHIBIT A** hereof, which shall be manually executed by an authorized officer or employee of the Note Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Notes that may be issued hereunder at any one time. No Note shall be entitled to any security or benefit under this Note Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Note Registrar. Such executed certificate of authentication upon any Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Note Resolution. Upon authentication, the Note Registrar shall deliver the Notes to the Purchaser upon instructions of the Issuer or its representative.

**Section 208. Mutilated, Lost, Stolen or Destroyed Notes.** If (a) any mutilated Note is surrendered to the Note Registrar or the Note Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer and the Note Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Note Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer, in its discretion, may pay such Note instead of issuing a new Note.

Upon the issuance of any new Note under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Note Resolution equally and ratably with all other Outstanding Notes.

**Section 209. Cancellation and Destruction of Notes Upon Payment.** All Notes that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Notes so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

**Section 210. Book-Entry Notes; Securities Depository.** The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Notes shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Notes, except in the event the Note Registrar issues Replacement Notes as provided in this Section. It is anticipated that during the term of the Notes, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Notes to the Participants until and unless the Note Registrar authenticates and delivers Replacement Notes to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes; or

(b) if the Note Registrar receives written notice from Participants having interests in not less than 50% of the Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes, then the Note Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Note Registrar shall register in the name of and authenticate and deliver Replacement Notes to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Note Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Note. Upon the issuance of Replacement Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Note Registrar, to the extent applicable with respect to such Replacement Notes. If the Securities Depository resigns and the Issuer, the Note Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the

following paragraph, then the Note Registrar shall authenticate and cause delivery of Replacement Notes to Owners, as provided herein. The Note Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Notes. The cost of printing, registration, authentication, and delivery of Replacement Notes shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Note Registrar receives written evidence satisfactory to the Note Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Note Registrar upon its receipt of a Note or Notes for cancellation shall cause the delivery of Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

**Section 211. Nonpresentment of Notes.** If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Note Resolution or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

**Section 212. Preliminary and Final Official Statement.** The Preliminary Official Statement dated September 3, 2020, is hereby ratified and approved.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor or chief financial officer of the Issuer are hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Notes is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Notes sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

**Section 213. Sale of the Notes.** The sale of the Notes to the Purchaser is hereby approved and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Notes shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Note Resolution), upon payment of the Purchase Price.

## ARTICLE III

### REDEMPTION OF NOTES

#### **Section 301. Redemption by Issuer.**

**Optional Redemption.** At the option of the Issuer, the Notes will be subject to redemption and payment prior to maturity on September 1, 2021, and thereafter, as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

**Section 302. Selection of Notes to be Redeemed.** Notes shall be redeemed only in an Authorized Denomination. When less than all of the Notes are to be redeemed and paid prior to their Stated Maturity, such Notes shall be redeemed in such manner as the Issuer shall determine. Notes of less than a full Stated Maturity shall be selected by the Note Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Note Registrar may determine.

In the case of a partial redemption of Notes by lot when Notes of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it were a separate Note of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Note is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Note to the Note Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Note or Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any such Note fails to present such Note to the Paying Agent for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

**Section 303. Notice and Effect of Call for Redemption.** In the event the Issuer desires to call the Notes for redemption prior to maturity, written notice of such intent shall be provided to the Note Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Note Registrar shall call Notes for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Note Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Notes to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in this Section are met.

Unless waived by any Owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar and the State Treasurer. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the Owners of said Notes. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Notes are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Notes or portions of Notes that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Notes, the Note Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Note (having been mailed notice from the Note Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Note so affected, shall not affect the validity of the redemption of such Note.

Official notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Notes or portion of Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, the Redemption Price of such Notes shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Note, there shall be prepared for the Owner a new Note or Notes of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Notes that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Note Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

- (a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Notes being redeemed; (2) the date of issue of the Notes as originally issued; (3) the rate of interest borne by each Note being redeemed; (4) the maturity date of each Note being redeemed; and (5) any other descriptive information needed to

identify accurately the Notes being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Note Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Notes and to one or more national information services that disseminate notices of redemption of obligations such as the Notes.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Notes being redeemed shall bear or have enclosed the CUSIP number of the Notes being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Note.

### SECURITY FOR NOTES

**Section 401. Security for the Notes.** The Notes shall be general obligations of the Issuer payable as to both principal and interest from general obligation bonds of the Issuer, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

**Section 402. Levy and Collection of Annual Tax.** The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Notes as the same become due, if necessary, by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Notes as and when the same become due, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Notes when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

## ARTICLE V

### ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF NOTE PROCEEDS

**Section 501. Creation of Funds and Accounts.** Simultaneously with the issuance of the Notes, there shall be created within the Treasury of the Issuer the following Funds and Accounts:

- (a) Improvement Fund for Taxable General Obligation Temporary Notes, Series 2020-1; and
- (b) Debt Service Account for Taxable General Obligation Temporary Notes, Series 2020-1.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Note Resolution so long as the Notes are Outstanding.

**Section 502. Deposit of Note Proceeds.** The net proceeds received from the sale of the Notes shall be deposited simultaneously with the delivery of the Notes as follows:

- (a) All accrued interest and excess proceeds, if any, received from the sale of the Notes shall be deposited in the Debt Service Account.
- (b) The remaining balance of the proceeds derived from the sale of the Notes shall be deposited in the Improvement Fund.

**Section 503. Application of Moneys in the Improvement Fund.** Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications therefor approved by the governing body of the Issuer and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable and approved by the governing body of the Issuer; (b) paying interest on the Notes during construction of the Improvements; and (c) paying Costs of Issuance.

Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

#### **Section 504. Substitution of Improvements; Reallocation of Proceeds.**

(a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Notes provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the governing body of the Issuer in accordance with the laws of the State; (2) a resolution authorizing the use of the proceeds of the Notes to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the governing body of the Issuer pursuant to this Section, (3) the Attorney General of the State has approved the amendment made by such resolution to the transcript of proceedings for the Notes to include the Substitute Improvements; and (4) the use of the proceeds of the Notes to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt status of the Notes under State or federal law.

(b) The Issuer may reallocate expenditure of Note proceeds among all Improvements financed by the Notes; provided the following conditions are met: (1) the reallocation is approved by the governing body of the Issuer; (2) the reallocation shall not cause the proceeds of the Notes allocated to any

Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Notes under State or federal law.

**Section 505. Application of Moneys in Debt Service Account.** All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Notes as and when the same become due and the usual and customary fees and expenses of the Note Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Notes and the fees and expenses of the Note Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent, if other than the Issuer, in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Note Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Notes are no longer entitled to enforce payment of the Notes or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Note Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Notes entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the indebtedness for which the Notes were issued shall be transferred and paid into the Bond and Interest Fund.

**Section 506. Deposits and Investment of Moneys.** Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account may be invested in accordance with this Note Resolution in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may be credited to the Debt Service Account.

## ARTICLE VI

### DEFAULT AND REMEDIES

**Section 601. Remedies.** The provisions of the Note Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

**Section 602. Limitation on Rights of Owners.** The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.

**Section 603. Remedies Cumulative.** No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

## ARTICLE VII

### DEFEASANCE

**Section 701. Defeasance.** When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for

and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Notes, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Notes, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Note Registrar to give such notice of redemption in compliance with *Article III*. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Resolution.

## ARTICLE VIII

### CONTINUING DISCLOSURE REQUIREMENTS

**Section 801. Disclosure Requirements.** The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

**Section 802. Failure to Comply with Continuing Disclosure Requirements.** In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

## ARTICLE IX

### MISCELLANEOUS PROVISIONS

**Section 901. Annual Audit.** Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Resolution, the Issuer shall promptly cure such deficiency.

**Section 902. Amendments.** The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Note;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;
- (c) permit preference or priority of any Note over any other Note; or
- (d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Resolution.

Any provision of the Notes or of this Note Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Notes among Improvements, to provide for Substitute Improvements, to conform this Note Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution adopted by the governing body of the Issuer amending or supplementing the provisions of this Note Resolution and shall be deemed to be a part of this Note Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Note Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Note Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Resolution which affects the duties or obligations of the Paying Agent under this Note Resolution.

**Section 903. Notices, Consents and Other Instruments by Owners.** Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any of the purposes of this Note Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Resolution, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer.

**Section 904. Notices.** Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

**Section 905. Electronic Transactions.** The issuance of the Notes and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means. All closing documents, certificates, and related instruments may be executed by electronic transmission. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents (or documents executed by electronic transmission) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

**Section 906. Further Authority.** The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Note Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and

other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

**Section 907. Severability.** If any section or other part of this Note Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Note Resolution.

**Section 908. Governing Law.** This Note Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

**Section 909. Effective Date.** This Note Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

TO: Tim Vandall, City Administrator   
FROM: Mike Spickelmier, Director of Public Works *MWS 9/11/2020*  
DATE: September 11, 2020  
SUBJECT: Resolution No. B-7-2020 - Regional Hazardous Mitigation Plan

---

Policy Consideration: A Regional Hazard Mitigation Plan is updated every 5 years as a joint effort of the municipalities within Leavenworth, Wyandotte, and Johnson Counties in Kansas. Lieutenant Dickason is the Lansing Representative on this plan, and helped in its crafting. The most recent edition of this 495 page document is available on the City of Lansing Website at the following link:

[https://www.lansingsks.org/DocumentCenter/View/7118/Kansas Homeland Security Region L Hazard Mitigation Plan1](https://www.lansingsks.org/DocumentCenter/View/7118/Kansas_Homeland_Security_Region_L_Hazard_Mitigation_Plan1)

In addition to providing consistent hazard mitigation guidance for cities in the region, the adoption of this plan is part of the Community Rating System (CRS) in coordination with the National Flood Insurance Program (NFIP). Participation in the CRS assists residents by providing discounts on federally mandated flood insurance for those homes in the flood plain.

Action:

1. The City Council adopt Resolution No. B-7-2020, the Kansas Homeland Security Region L Hazard Mitigation Plan dated August 2019.

**CITY OF LANSING**  
**RESOLUTION NO. B-7-2020**  
**A RESOLUTION TO APPROVE THE REGIONAL**  
**MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN**

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LANSING, KANSAS, THAT:

WHEREAS, the city of Lansing recognizes the threat that natural hazards pose to people and property within our community; and

WHEREAS, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

WHEREAS, the U.S. Congress passed the Disaster Mitigation Act of 2000 ("Disaster Mitigation Act") emphasizing the need for pre-disaster mitigation of potential hazards;

WHEREAS, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments; and

WHEREAS, the Federal Emergency Management Agency (FEMA) requires the adoption of a multi-jurisdictional hazard mitigation plan to meet the requirements of the Disaster Mitigation Act and as a condition of future funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs; and

WHEREAS, city of Lansing has fully participated in the FEMA-prescribed mitigation planning process to prepare this Multi-Jurisdictional Hazard Mitigation Plan; and

WHEREAS, the Kansas Division of Emergency Management and the FEMA officials have reviewed the Regional Multi-Jurisdictional Hazard Mitigation Plan and approved it contingent upon adoption by the governing bodies of all participating jurisdictions; and

WHEREAS, the city of Lansing desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Regional Multi-Jurisdictional Hazard Mitigation Plan; and

WHEREAS, being part of this regional plan allows the city to address its hazards and develop mitigation actions and incorporate those with the mitigation actions of Regional jurisdictions in the plan, to wit: Leavenworth County, Johnson County, and Wyandotte County; and

WHEREAS, adoption of the Regional Multi-Jurisdictional Hazard Mitigation Plan demonstrates a commitment to fulfilling the mitigation goals and objectives as outlined in the Plan and authorizes responsible agencies to carry out their responsibilities under the Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LANSING, KANSAS, THAT:

1. The Kansas Homeland Security Region L Hazard Mitigation Plan dated August 2019 (incorporated herein by reference) for the unincorporated areas of Leavenworth County, Kansas, is accepted and approved.

2. The Leavenworth County Department of Emergency Management is hereby directed to submit this Resolution to Kansas Division of Emergency Management and Federal Emergency Management Agency officials to enable the Plan's final approval.

3. Agency personnel of city of Lansing are requested and instructed to pursue available funding opportunities from the State and Federal Emergency Management Agencies for support and implementation of hazard mitigation activities under the Plan.

4. Resolution No. B-5-14 is hereby repealed.

5. This Resolution shall be and become effective upon adoption and shall be published once in the official city newspaper, the *Leavenworth Times*.

## AGENDA ITEM

---

TO: Tim Vandall, City Administrator   
FROM: Anthony J. Zell, Jr., Wastewater Utility Director   
DATE: September 11, 2020  
SUBJECT: Drainage Basin 9G/9H Sanitary Sewer Interceptor Extension Study

---

Sanitary sewers predicate growth. Without infrastructure improvements and expansion, Lansing will not be able to meet the future needs of potential developments. Staff feels the next logical location for future growth to occur in Lansing is southward, adjacent to K7 Highway. In preparation for this potential growth, new sanitary sewers will be needed. The 2014 Sanitary Sewer Master Plan identified a large 30" gravity sewer running south, along the west side of K7 Highway to service ultimate growth in three sub basins, totaling nearly 1,500 acres.

While there are no active projects in the area, there may be suitable alternatives for sewers in the short term, before expanding the pipe network to service the entire watershed. Staff requested a scope and fee from George Butler Associates (GBA) to examine those options.

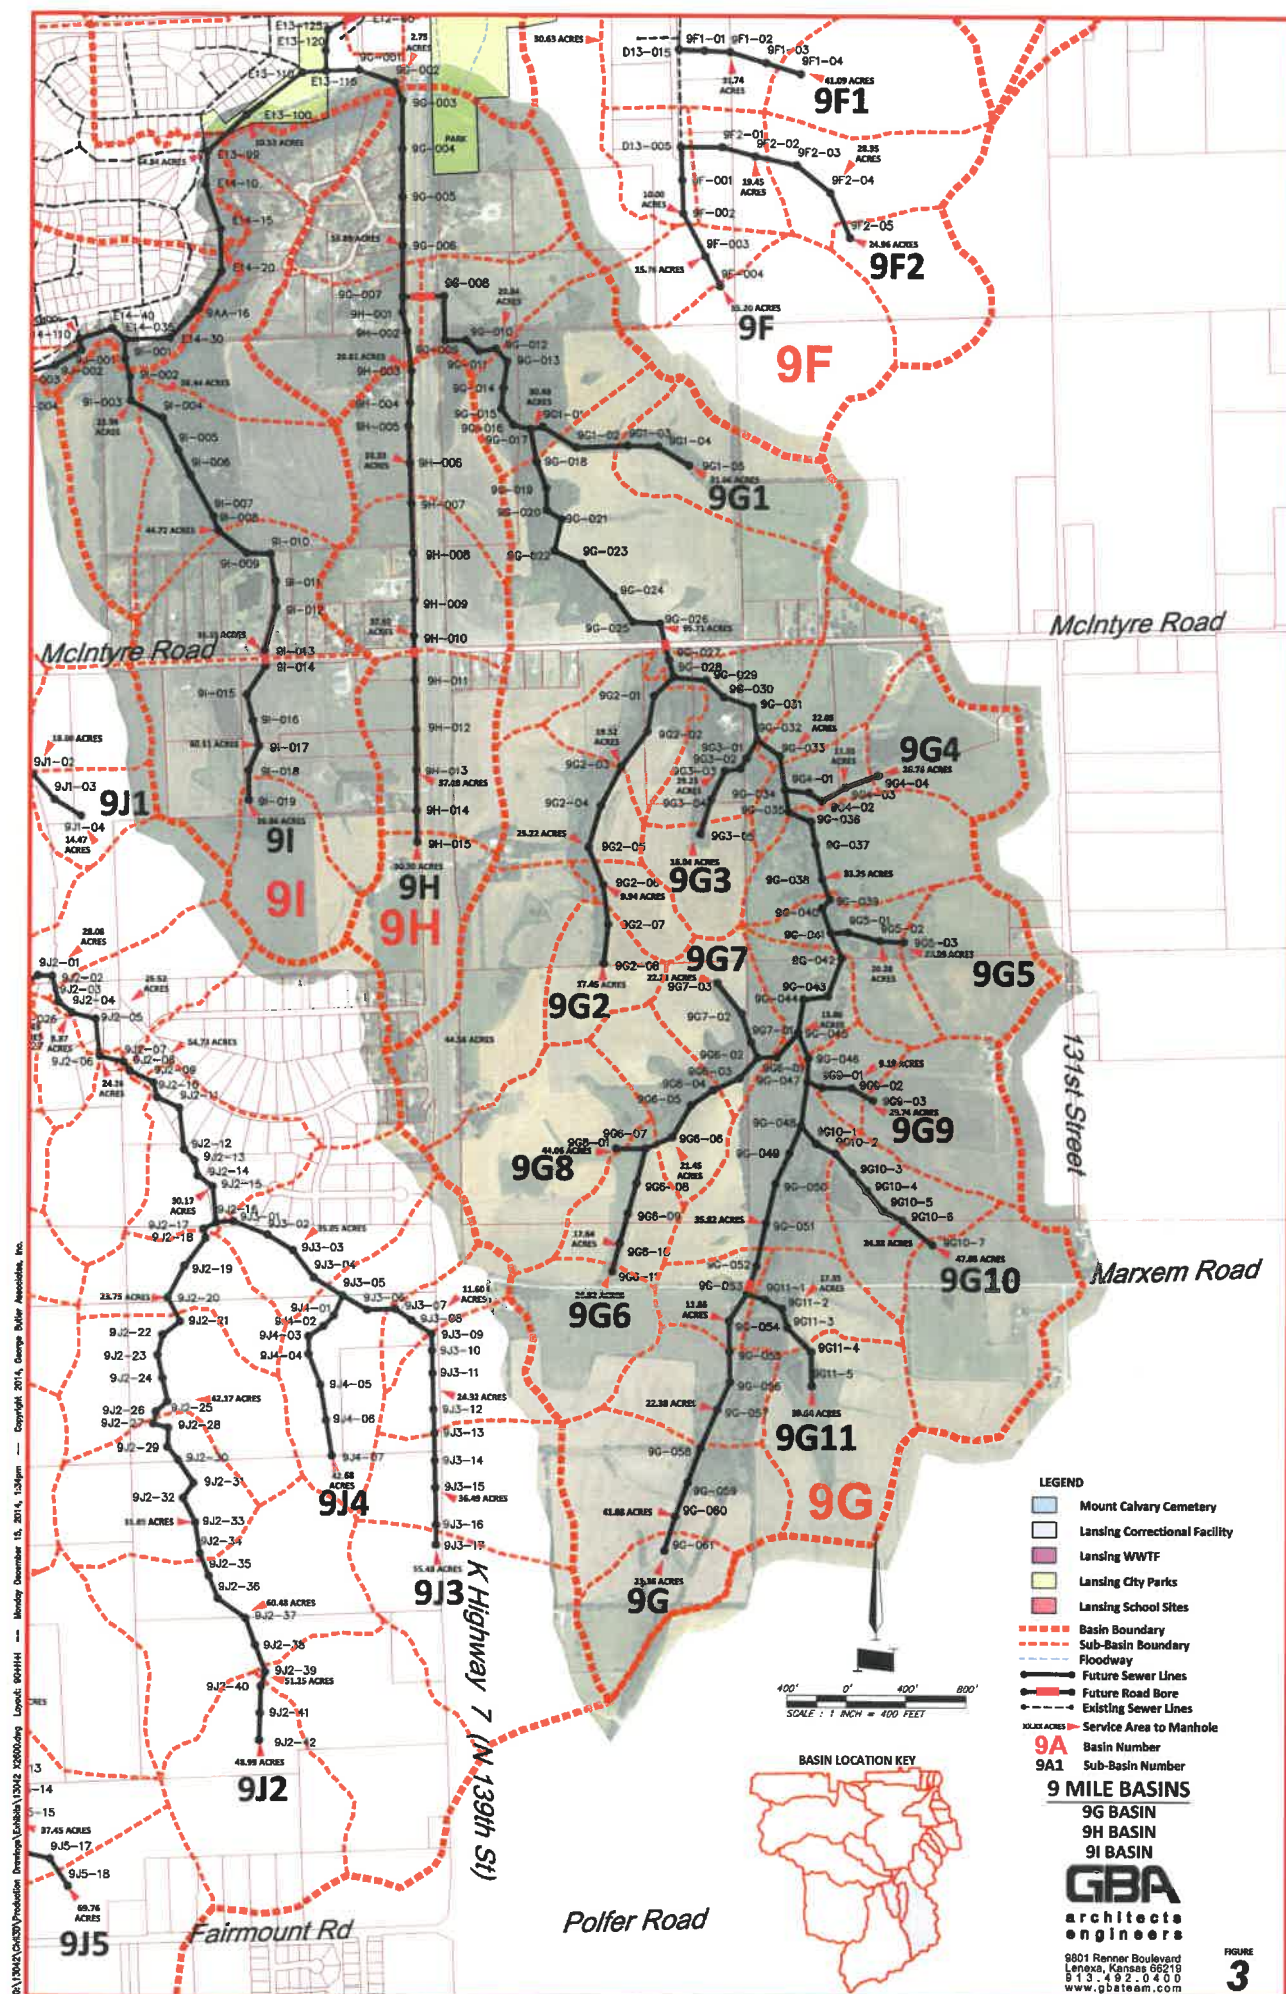

The intent of the study is to determine available options to extend sewer from near K7 and Gilman Road, south to McIntyre Road and points upstream. The study will investigate existing sewers currently in service (and if and when they need to be upgraded), new gravity sewers needed, potential pump station/force main locations, and timeline and cost estimates for the necessary improvements. The results of this study will provide staff and the governing body the information needed to make fiscally responsible decisions as development occurs.

Attached is a map of the sewer basins, with preliminary layouts from the 2014 Master Plan. The negotiated scope and fee to perform this study is \$43,244.

Policy Consideration: The City has an established relationship with GBA, and their team have performed several projects for the Utility within the last 6 years. The results of their work have always exceeded expectations, and many of their projects came in below their anticipated engineering fee. The City's purchasing policy allows staff to solicit previous firms for professional services if they have completed similar work in the recent past.

Financial Consideration: Funds for this project are available in the Utility's Engineering Services Account, 50-050-41120.

Recommended Action: A motion to approve the scope and fee for the 9H Drainage Basin Sewer Study, in an amount of \$43,244.00 (Forty-three thousand, two-hundred and forty-four dollars).

I had a great experience with Lansing PD tonight. Ofc. Munoz responded to my case at Legends. He was amazing. He was very victim centered and listened to what the pt had to say. He was attentive to what she needed and what she had to say. He apologized to the patient for what happened and make sure she knew this wasn't her fault.

He then waited to get the kit! I told him thank you but I wanted to be sure his superior knew!

Thanks!
