August 20, 2020

Call To Order:

The regular meeting of the Lansing City Council was called to order by Mayor Mike Smith at 7:00 p.m.

Roll Call:

Mayor Mike Smith called the roll and indicated which Councilmembers were in attendance.

Councilmembers Present:

Ward 1: Gene Kirby and Dave Trinkle

Ward 2: Don Studnicka and Marcus Majure

Ward 3: Jesse Garvey

Ward 4: Tony McNeill and Gregg Buehler

Councilmembers Absent: Kerry Brungardt

OLD BUSINESS:

Approval of Minutes: Councilmember McNeill moved to approve the regular meeting minutes of August 6, 2020, as presented. Councilmember Studnicka seconded the motion. The motion was unanimously approved.

Audience Participation: Mayor Smith called for audience participation and 2 residents came forward. Rob Gaslin, Board of Trustee member for Fire District #1 updated the Council on the hiring process for a new Fire Chief. Currently, there are nine applicants that ranges from within the fire department, local residents to out of state individuals. With the budget finalized, we can move ahead with the hiring process. Soon, the process will shift to the consulting phase where all the packets will be looked at and analyzed before it comes back to the Board of Trustees. Once at the Board of Trustees, they will do their own sorting, analyzing, interviewing, etc. The hope is to have someone hired within 2020 but that is still to be determined with COVID and long-distance hurdles.

Bill Mason at 128 Rock Creek Loop spoke to the Council about the recent purchase of Towne Center. He doesn't believe outfitting Town Center with big box stores is the way to go. He believes there is better use of the land such as for a city park, sport fields and a swimming pool. His suggestion is to sell Kenneth Bernard Park and move the city park to Towne Center. He also suggested the Council conducts a community survey to see what residents want at Towne Center. The Council agreed to discuss this further at a Work Session.

COUNCIL CONSIDERATION OF AGENDA ITEMS:

Resolution No. B-4-2020 – Authorizing the Offering for Sale of General Obligation Bonds and Taxable General Obligation Temporary Notes: Councilmember Studnicka moved to approve and adopt Resolution No. B-4-2020. Councilmember Trinkle seconded the motion. The motion was unanimously approved.

REPORTS:

Department Heads: Parks & Recreation Director Jason Crum is looking for guidance from the Council on fall activities. For fall sports, there are enough soccer registrations to play as normal. Flag football numbers didn't increase enough even with late registration, so we are allowing them to transfer to soccer if they want. The same offer has been made to cheerleaders. It would be recommended that mask wearing, and social distancing occur at all events.

- Councilmember Buehler asked for clarification on players wearing masks or just the spectators.
 - Parks & Recreation Director Jason Crum replied it would be for the spectators/parents. The Leavenworth Soccer Association is requiring masks for all spectators, refs and coaches but not the players. When we go there to play, we will have to follow suit.
 - Councilmember Buehler asked if we can require masks to be worn.
 - City Administrator Tim Vandall replied other cities have made those requirements so we could.
 - Parks & Recreation Director Jason Crum stated his only concern is policing it. That could put a lot of responsibility on volunteer coaches.

- Councilmember Buehler stated we can put it out that it's required and see how it goes at first. It doesn't hurt to send out reminders that masks are required.

As for the Fishing Derby, we have determined with social distancing in mind, we could roughly have 70-80 people. We wouldn't be able to offer food and would have to reevaluate how to handle registrations as well as raffles/prizes, but staff believes they can make the event happen.

- Mayor Smith stated he gets COVID is here and we need to protect each other but we have those activities to bring our community together. If we can use precautions and still have this, I think we should.
 - Councilmember Buehler agreed it's important to have these events and with some changes, we should do it.

Parks & Recreation staff is making the recommendation to cancel the Spooky Center event due to not being able to social distance that type of indoor event. They have discussed trying to come up with Halloween themed scavenger hunt or engage the community via Zoom/Facebook Live with a costume contest, etc. Community & Economic Development Director Matthew Schmitz updated the Council on the September 4th Fireworks display. We previously spoke about offering a FM broadcast of music but that comes with a price of nearly \$5,000. Instead of going that route, staff spoke with the fireworks vendor and they have agreed to offer more aerial shots. Council agreed that is a great idea.

City Attorney: City Attorney Greg Robinson had nothing to report.

City Engineer: City Engineer Matt Harding had nothing to report.

City Administrator: City Administrator Tim Vandall asked the Council if they had a preference on which September Council meeting, they would like to take their Council pictures. League of Municipalities is having a virtual conference October 13-16th. If we have more than four people register, we get a discount so let Tim or Sarah know if you are interested. The CARES funding documents are being worked on. We did offer \$230,000 in small business improvement grants and we are looking at having a committee review the applications. Councilmember Kirby and McNeill expressed interest in being part of the committee. He recommended next weeks Work Session be cancelled due to nothing being on the agenda and there won't be enough time to prepare for a Towne Center discussion. There is still some work along DeSoto Road being done. There were some traffic signal and sight line issues at the intersection of Eisenhower and DeSoto that are being resolved.

Councilmember Garvey asked when are we changing the speed limit on DeSoto.

- City Administrator Tim Vandall replied we were waiting until we pass the Standard Traffic Ordinance at the next meeting.

There are some bumps on DeSoto Road that KDOT pointed out to the contractor. So, there will some minor milling on those to even it out.

Governing Body: Councilmember McNeill thanked Bill Mason and Rob Gaslin for coming in. We appreciate the Fire District update as well as citizens input.

Councilmember Studnicka asked if we would be able to live stream the fireworks.

- City Administrator Tim Vandall replied yes.
 - Community & Economic Development Director Matthew Schmitz stated they could do it via Facebook Live.

Councilmember Studnicka, Trinkle, Kirby, Majure, Garvey and Buehler all echoed Councilmember McNeill's sentiments to Mr. Gaslin and Mr. Mason for coming to the meeting.

Councilmember Trinkle asked if there was a better response from the small business owners referencing the grant money.

- City Administrator Tim Vandall replied more business owners had responded this time. They did ask business owners to show proof where losses were, and we are having trouble identifying that on some.

Councilmember Kirby stated we still aren't wearing masks like we should and asked the community to not quit wearing masks because we aren't out of this.

Councilmember Majure thanked City Administrator Tim Vandall and staff for all they are doing.

Councilmember Buehler also provided a fun fact, on this day in 1938, Lou Gehrig hit his 23rd grand slam. A record that held until 2013 and was broken by Alex Rodriguez.

ADJOURNMENT:

Councilmember Buehler moved to adjourn. Councilmember McNeill seconded the motion. The motion was unanimously approved. The meeting was adjourned at 7:56 p.m.

Assisted Living Week

in the City of Lansing. I urge all citizens to virtually visit or call a loved one, family member or friend residing in any care setting and offer a kind word and spend time participating in various virtual activities to unite those from all walks of life in need of our continuing love and support, and to learn more about how assisted living services benefit our communities.

In witness thereof, I have hereunto set my hand and caused the great seal of the City of Lansing to be affixed this 3rd day of September, in the Year of Two Thousand and Twenty.

Superintendent Keith Sanders and I both want to express our appreciation for Lansing City inspector Becky Savidge's performance over the past several years. Ms. Savidge usually has immediate answers to our construction procedures and is helpful in communicating an understanding of the codes she is obligated to follow. When codes change, she articulates those changes in an understandable manner which proves helpful for future projects. Do not always like her answers but must admit that she never fails to properly research before answering.

Some builders and jobsite superintendents might cringe when a "Fire Marshal Bill" type City or County inspector shows up on construction site; the undersigned included, but over the past decade or more we have come to appreciate Ms. Savidge's expertise and fairness when working on City of Lansing projects.

Sincerely,

Mike Greenamyre
