

CITY OF LANSING LIBRARY

JANUARY 2024 UPDATE

New storytimes began with the new year. We now have Rhyme Time which is filled with finger plays, knee bounce rhymes, and short songs; a weekly Night Time Storytime on Wednesday; and Move and Groove Storytime which is filled with dancing, singing, and stories. More details are available on the website lansingks.org/library or through our app.

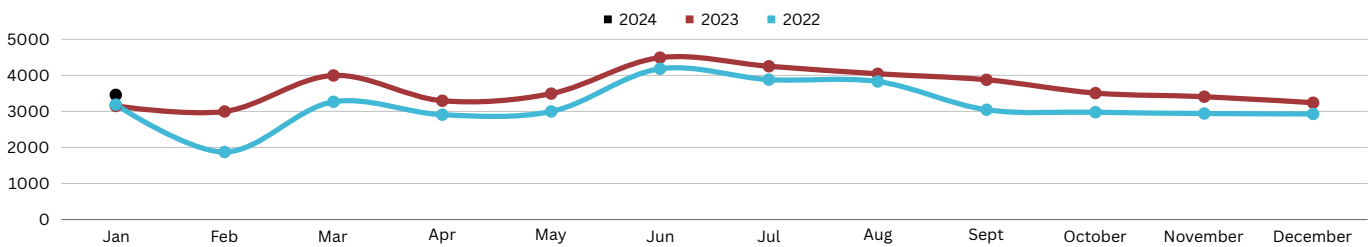

A MESSAGE FROM THE DIRECTOR

We are excited to announce that we are testing a new printing service. Patrons can access the service through the website on their computer, tablet, or phone to send print requests.

We have also upgraded the meeting room. Patrons are now able to reserve the room and conduct virtual meetings. It has already been reserved by a patron who was interviewing for a job.
