WHEREAS, the City of Lansing must remain flexible to account for the evolving nature and scope of the unprecedented public health emergency posed by COVID-19, while also simultaneously beginning the process of safely, strategically, and incrementally reopening business and facilitating economic recovery and revitalization;

WHEREAS, for the aforementioned and other reasons, and in recognition and furtherance of my responsibility to provide for and ensure the health, safety, security, and welfare of the people of Lansing, the City of Lansing has determined that the evolving public health and economic threats posed by COVID-19 require a proactive approach to provide immediate financial relief and long-term economic investment in the City of Lansing;

WHEREAS, in these challenging times, the City of Lansing will do whatever it can to avoid immediate dangers to the health, safety, and welfare of our constituents and prepare for future waves of COVID-19;

WHEREAS, on June 16, 2020 the State Finance Council approved the Strengthening People and Revitalizing Kansas (SPARK) Taskforce's proposal to distribute money to Leavenworth County to help address the health and economic challenges inflicted by COVID-19 based on Leavenworth County's population and impact from COVID-19 with funds provided for reimbursement of COVID-19 related costs and as direct aid unless otherwise approved by the

SPARK Taskforce.

WHEREAS, to ensure that all educational and municipal entities within counties receive Coronavirus Relief Funds to meet their respective health and economic challenges, the SPARK Taskforce Executive Committee passed a motion on June 2, 2020, to direct counties to allocate and share Coronavirus Relief Funds with public educational and municipal entities within their counties.

WHEREAS, Leavenworth County adopted a Resolution to accept and distribute funds to cities within Leavenworth County.

Be it resolved that, pursuant to the authority vested in the City of Lansing, Kansas, City Council, including the authority granted to this body by constitutional home rule in order to begin the process of safely, strategically, and proactively providing the resources the city needs to both mitigating the spread of COVID-19 and invest in long-term economic recovery, the Lansing City Council accepts any funds appropriated to Lansing by the State of Kansas through the State's Coronavirus Relief Fund and distributed by Leavenworth County pursuant to the following terms designed to ensure the lawful use of funds and transparency, equity, and accountability:

1. Section 5001 of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, as codified in 42 U.S.C. § 801, provides the eligible purposes for which Coronavirus Relief Fund ("CRF") payments may be used. Under 42 U.S.C. § 801(d) funds may be used for:
 - a. necessary expenditures incurred due to the public health emergency with respect to Coronavirus Disease 2019 (COVID-19);
 - b. not accounted for in the budget most recently approved for the county as of March 27, 2020; and
 - c. incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.
2. The following are examples of public health expenditures allowed pursuant to paragraph 1.a. above and 42 U.S.C. § 801(d):
 - COVID-19 related expenses of public hospitals or clinics
 - COVID-19 testing and quarantine costs
 - Payroll of employees substantially dedicated to COVID-19 mitigation or response
 - Expenses for establishing and operating public telemedicine capabilities
 - Technological improvements to facilitate distance learning
 - Improving telework capabilities
 - Grants to small businesses to reimburse the costs of business interruption caused by required closures
 - Government payroll support program
 - Unemployment insurance costs related to COVID-19
3. The following are examples of public health expenditures NOT allowed pursuant to paragraph 1.a. above and 42 U.S.C. § 801(d):
 - Damages covered by insurance
 - Payroll or benefits for employees not substantially dedicated to mitigating or responding to COVID-19

- Expenses that will be reimbursed under any federal program
 - Reimbursement to donors for donating items or services
 - Workforce bonuses other than hazard pay or overtime
 - Severance pay
 - Legal settlements
4. Additionally, as outlined in guidance issued by the Congressional Research Service on April 14, 2020, “Coronavirus Relief Fund payments may not be used to directly account for revenue shortfalls related to the COVID-19 outbreak. Such funds, however, may indirectly assist with revenue shortfalls in cases where expenses paid for by the Coronavirus Relief Fund would otherwise widen the gap between government outlays and receipts.”
 5. To ensure effective and timely oversight of local spending, Lansing will comply with reporting requirements established by Leavenworth County.
 6. To ensure transparency and accountability in the deliberation, expenditure, and oversight processes associated with CRF funds, Lansing will comply with all requirements of the Kansas Open Meetings Act.
 7. The COVID-19 pandemic has disproportionally impacted racial minorities within the State of Kansas, illustrating long-standing health disparities for African-American, Latino, and other racial minority populations in the United States. Accordingly, Lansing will consider and incorporate efforts to address such disproportionate impacts on racial minorities in its direct aid plan.
 8. As provided in 42 U.S.C. § 801(f), the Inspector General of the Department of the Treasury determines whether CRF payments have been used for eligible purposes. Fund payments that are deemed to have been used for ineligible purposes are treated as a debt owed by the implementing government to Treasury. This resolution signifies that, upon approval, Lansing agrees to cooperate with any audits or inquiries by the Department of the Treasury concerning CRF funds and agrees to pay any debt incurred to the Department of the Treasury due to ineligible expenditures of appropriated CRF funds.
 9. Lansing understands that the United States Department of the Treasury or the Governor’s Office of Recovery may issue guidance regarding the transfer, expenditure, reimbursement, or other use of CRF funds.
 10. The City of Lansing understands and agrees that any unspent funds must be returned to the State for recoupment. Lansing understands that Leavenworth County must return all unspent funds no later than December 30, 2020, and will make any unspent funds available for return prior to December 30, 2020. All reconciliation documents submitted to the SPARK Taskforce will be made publicly available by the Governor’s Office of Recovery, including supporting documentation submitted by the City of Lansing to Leavenworth County.

This document shall be filed with the City Clerk. This ordinance shall take effect from and after its passage, approval and publication in the official City newspaper.

PASSED AND APPROVED by the Governing Body of the City of Lansing, County of Leavenworth, State of Kansas, this 16th day of July 2020.
